The only unpleasant occurrence of the day was the detention of the train in the morning, at Wellington, because of the unsafeness of a bridge, caused by the heavy rain of the previous night. I am, very respectfully, CHAS. W. LOOMIS. WILLIAM S. CLAGETT.

Mw. S. Clagett Company,

(Successors to Wm. S. Clagett.)

The above firm having bought Wm. S. Clagett's stock of Groceries will occupy the two rooms formerly occupied by the postoffice and express company and will carry a full stock of the following lines, viz:

STAPLE & FANCY GROCERIES. STAPLE DRY GOODS. STAPLE BOOTS, SHOES, HATS, CAPS, &C., &C.

In this, our first advertisement, we desire to let our friends and the public thow our plan of doing business, our advantages, &c. The business will be under the management of Wm. S. Clagett, who will have the following assistants: C. C. Wallace, George Mullinix, Chas. Sandifer, Evan Becker, Samuel Hays, Goalder Young, J. F. Elsner, Reld Moreland, Wm. Rathbun, George A. Venable, Wm. Baehr, Arthur Chanslor and Howard Atkinson. As nearly all of our assistants have been brought up in this county it is almost unnecessary for us to say anything about them, except that we have taken pains to select the best persons we could get, and can promise our customers polite attention, and a due appreciation of their patronage.

WE WILL BE A ONE-PRICED HOUSE!!!

Our advantages are numerous. We will mention a few of them: We will get a great many of our goods in car lots, hence will save largely in the way of freights; having ample capital, we will pay spot cash for our goods, thereby saving all the discounts; besides, being large buyers we will get special prices. To the coal miners we will say that Mr. J. C. McGrew has arranged it so that we can give accommodations that no other house will do, and that they can rely upon it that they will not be overcharged on goods, as we will be a One-Priced House, and will sell as lew as the lowest.

WE WILL SELL TO EVERYBODY ALIKE !!!

To the farmer, we ask you for your patronage, and will take in exchange all of your Produce. By having a big house, and big town trade we are constantly wanting Produce, and it is to the interest of farmers to maintain and encourage this establishment, as we keep a large stock of all the above lines, and will give you a good market for your Produce. Mr. McGrew has about six hundred hands in his employ in Lexington and Camden, and it is reasonable to suppose that we will sell them a great deal of Produce.

To boarding house keepers, hotels, schools, restaurants, and all large onyers, we will give special prices.

We will keep the largest stock of Groceries in the county. We make a specialty of Fancy Groceries. We shall have many goods that cannot be found anywhere else in the city, and by having a large trade our Goods will be always Fresh.

To one and all, we invite you to come and trade with us. To our city trade we will say that we arrangements whereby we will be enabled to have a supply of Produce always on hand. This, with our prompt Delivery of all Goods bought of us, we hope will entitle us to a large part of this trade. We promise good Goods, fair and honest dealings, polite attention and low prices to everybody.

Everybody is invited to come and see our new system, which we adopt because we want to avoid the numerous mistakes and unpleasant transactions which frequently come between houses and their customers.

Remember, that we have the lawrest extent of this bird.
